KSLA 2018 Conference & Exhibition **A HUGE Success!**

KSLA would like to thank everyone who attended this year's Conference & Exhibition at The Brown Hotel. We're very pleased to report that we spent two great days with 120 participants from our providers, and 65 persons representing 29 associate members and three not-for-profit exhibitors. We were very fortunate to have twelve sponsors, and eight excellent education sessions and speakers. And The Brown Hotel was amazing - their staff is unmatched for customer service!

If you weren't at this year's conference, we hope you'll plan to attend next year. We realize that month-end and Memorial Day week aren't the best times to be away from your communities, so with that in mind, please **save the date** for next year's conference: **May 15-16, 2019**.

And by the way ... the hotel found the missing plaques, gift cards, and Bob's conference binder. **Mystery solved!**

Stay tuned for more news and photos from the conference!

Providing Choice Publication

In our General Session with DAIL and OIG yesterday, it was pointed out that if any resident or resident family requests a copy of the state regulations related to assisted living, the community is obligated to provide this information.

Our **Providing Choice** publication provides all of the regulations and statutes related to assisted living, and meets DAIL's requirement.

You may order **Providing Choice** by going to the Education page on our **website**. Scroll down to the bottom of the page and you'll see links to information about **Providing Choice** as well as an order form and a credit card payment form.

Send these completed forms to KSLA via **e-mail** or mail them to:
